Antonio José Camacho

**Frotend Developer Career**
jan 2023 - jan 2024
Platzi

**Technician in Software Development**
aug 2020 - jul 2022
SENA: Servicio Nacional de Aprendizaje

## Proyects

**Finance DashBoard(2025)**
Tecnologies: Next.js, Redux (RTK), TailwindCSS

Aplicación web para gestionar ingresos y egresos de un negocio. Incluye visualización de movimientos, reportes de ganancias y pérdidas, y filtros personalizados.

**Weather Aplication (2024)**
Tecnologies: React, API REST, TailwindCSS

Allows searching for cities and viewing current weather, humidity, and "feels like" temperature. Uses external APIs and integrates dynamic search functionality.

## Tecnologies

Next.js   ReactJS   TailwindCSS   Redux (RTK)   JavaScript   TypeScript

CSS   HTML   MySQL   Java   Python
